

# PARTNER INTEREST FORM

This PDF form is for draft use and a submission to the online form is required. Unfortunately, the form currently cannot handle special characters found in languages such as the Salishan language family.

If after reviewing Salal's mission, priorities, considerations, limitations and FAQ, you believe your Project is a great fit, please submit your responses to these questions in the online version of the form. Applications from Canadian Organizations only. Each question has a character limit listed below the text area field.

Fields marked with an \* are required.

**First Name \***

**Last Name \***

**Email \***

**Phone \***

**City \***

**Develop resilient communities**

**Scale Engagement**

**Enhance Democracy**

**Strengthen Indigenous Relations**

**Green Canadian Industries**

**Sustainable Marine Ecosystem and Fisheries**

**Innovative Climate Action**

**Tell Powerful Stories**

**Promote Movement Diversity**

## Questions

Salal uses the following criteria to determine whether a request is a good fit. Projects do not need to meet all of these criteria, but a strong proposal will address most of them.

**1. Why does your request fit with our purposes and priorities? \***

**2. What problem does your project target the root causes of? How? \***

900 characters max

**3. Why is your organization best positioned to carry out the project? Do you have the expertise, staffing, and networks necessary to complete the project? \***

1000 characters max

**4. Why is Salal's funding critical? Are Salal's resources, coupled with existing or pending support, enough to ensure the project is successful? \***

1000 characters max

**5. What is your Theory of Change? Alternatively, if you do not have one, how do your project activities produce the outcomes you seek? \***

1000 characters max

**6. What are the odds of success and how will success on this project build on or amplify existing momentum on this or other similar issues? \***

1000 characters max

**7. What methods of learning will you apply to the project, and how will learnings be incorporated into your organization and shared with others? \***

800 characters max

**8. How will success build increased public support for the organization and / or this issue more broadly? How does success in this project advance Salal's priorities made possible that wouldn't be otherwise? \***

1000 characters max

**9. Will the project build grassroots capacity? \***

800 characters max

**10. Who are allies on this issue and how do you plan to engage them? \***

900 characters max

**11. Who will oppose your work and how do you plan to address this opposition? \***

900 characters max

**12. How does the organization plan to communicate the success and perhaps more importantly, the failures of the project to a wider audience? \***

1200 characters max

**13. What is the urgency? What are the implications of inaction now? \***

800 characters max
